**PRINCIPAL'S REPORT**

Lori introduced Waldo from The City of Shoreline Parks and Rec is here to talk about Hang Time; wanted to introduce himself to parents. Always asking kids what they want and are also encouraging parents to give input about what they want. Tutoring program starts next week. Hang Time calendar is going to be posted on the Kellogg website.

Reminder about Data Dashboard, the website for grades, and that you've gotten a chance to get on there. Grades are uploaded twice a month now. Lori clarified the Homework Lunch program, which is underway. There are no consequences involved other than contacting the parents – the goal is homework success. Please encourage all parents to keep their emails up-to-date with the school.

**Ways and Means Report** Pass the Hat fell short. Patty has found an interesting fundraiser at InsiderPages.com: we get \$1.50 for the first review and \$.50 for each one thereafter. They will cut a check up to \$10,000 to the PTA.

**Liaison between Kellogg and the Bond Committee: Jamie Froebe** Need to get out the word about the bond levy for the three items up for vote. Maintenance Operation levy is to provide 20% of our operating costs for the district M&O Maintenance and Operation. Bond is for construction and remodel at the two high schools; and also a tech levy as well to upgrade laptops and tech support. ~~Last time it was bond dollars to replace that would take a levy.~~ Steering Committee will meet October thru December. Kickoff is Jan13, Election Day is Feb 9<sup>th</sup>.

**Membership Report** Processing and still coming in.

**Newsletter Report** Deadline is this Friday please email articles to Kim Josund at [josund4@comcast.net](mailto:josund4@comcast.net). Need to look into whether we should be emailing or printing the newsletter.

**Committee Reports**

**Webmaster** Ryan updated the PTSA website to include links to the Albertsons and Safeway websites so you can link your card to the PTSA.

**Phone Book** – Ads are going well and hoping to get a lot done this week.
